Summary

Motivated and detail-oriented Python Fresher with a strong foundation in Python programming, object-oriented concepts, and problem-solving. Skilled in developing basic applications using Python, SQL, HTML, and CSS with knowledge of data structures and database connectivity. interested in learning new technologies, contributing to real-world projects, and building scalable software solutions in a dynamic environment.

Skills

Programming Languages	: Python, Java
Front end Technologies	:HTML 5, CSS 3, JavaScript
Backend Technologies	:Django,Figma
Databases	:MySQL,
Tools & Platforms	:Git, GitHub, VS Code, IntelliJ IDEA, Eclipse,

Projects

Spotify Music App UI/UX Design Prototype

2025 – 2026

- Designed a Spotify-inspired music streaming app using Figma.
- Designed modern and user-friendly UI/UX designs with responsive layouts.
- Developed wireframes, prototypes, and high-fidelity screens for the application.
- Designed key features including Home, Search, Playlist, Music Player, and Profile screens.

Work Experience

Software Programmer in Python – Council for Skills and Competencies India

- Developed a strong foundation in Python programming, object-oriented programming concepts, and problem-solving techniques
- Worked on basic Python applications, data handling, and logical programming exercises.
- Gained hands-on experience with file handling, functions, loops, and database connectivity concepts.
- Improved coding, debugging, and analytical skills through practical programming tasks and assignments.

Aiml Intern – SmartBridge Educational Services Pvt. Ltd.

2026

- Built a strong foundation in concepts machine learning and deep learning
- Worked with Python for data analysis, preprocessing, and machine learning model development.
- Data cleaning, data preprocessing, and feature engineering performed using Pandas and NumPy.
- Developed and evaluated machine learning models using Scikit-learn.

Education

Audisankara College Of Engineering-Gudur ,India

present

B.Tech – Computer Science Engineering (AI & ML), *CGPA:8.0*

Government Polytechnic College, Kadiri, India

2020 – 2023

Diploma – Electrical and Electronics Engineering (EEE), *60%*

Sri Shanthinikethan EM High School, Kadiri, India

2010 – 2020

SSC, *88%*

Certifications

- Data Analytics Job Simulation - Deloitte
- Software Engineering Job Simulation – Forage
- Full-Stack Development – SimpliLearn SkillUp
- Introduction to Modern AI Course – Cisco

Key Accomplishments

- Served as Student Volunteer for ACET FESTA at Audisankara College Of Engineering - Gudur
